**Spanish flu - Wikipedia**
Spanish flu, also known as the Great Influenza epidemic or the 1918 influenza pandemic, was an exceptionally deadly global influenza pandemic caused by the H1N1 influenza A virus. The earliest documented case was March 1918 in Kansas, United States, with further cases recorded in France, Germany and the United
Kingdom in April. Two years later, nearly a third of the global population, or an

**Slavery in colonial Spanish America - Wikipedia**

Slavery in the Spanish American colonies was an economic and social institution which existed throughout the Spanish Empire including Spain itself. In its American territories, Spain displayed an early abolitionist stance towards indigenous people although Native American slavery continued to be practiced, particularly until the New Laws of 1543. The Spanish empire, however was involved in the

Sep 05, 2013 · (The number of Italian, German and Polish speakers in the U.S. declined 55.2%, 32.7% and 25.9% between 1980 and 2010, even though the number of Americans who trace their ancestry to Germany, Poland or Italy grew over the same period.) Nonetheless, the path that Spanish takes could be ...

**Spanish Missions in Texas - Legends of America**

The long-term plan was that the Native Americans would mature in Christianity and absorb Spanish culture, political, and economic practices until they would no longer require special mission status. Then, as Spanish citizens, the communities could be incorporated into ordinary colonial society.

**Digital History**

The period from 1820 to 1840 was a time of important political developments. Property qualifications for voting and office-holding were repealed; voting by voice was eliminated. Direct methods of selecting presidential electors, county officials, state judges, and governors replaced indirect methods. Voter participation increased.
